for Preparing Polyolefins Using Said  
Catalyst

**WITHDRAWAL OF SMALL ENTITY DESIGNATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Our firm recently assumed the prosecution of the above captioned patent application and noticed that small entity status has been designated. Applicants hereby request that small entity designation be withdrawn and that the application be prosecuted under large entity status.

Respectfully submitted,

Raymond Reese  
Reg. No. 47,891  
Patent Agent for Assignee  
Formosa Plastics Corporation, U.S.A.
